MAZDA MILLENIA

# THE PASSING LANE

JUST GOT A LOT  
**MORE FUN.**

Flying down the straightaways, sailing through the curves, scenery flashing by, all the while your heart rate follows the climb of the tachometer. How is it that such a refined car can provide so many visceral rewards? You could start with the Miller-cycle engine of the Millenia S, a unique V6 that produces 40 more horsepower than the standard Millenia engine, from fewer cubic inches. And with no fuel-economy penalty. It's one more example of Mazda engineers having their priorities in the right place. Not to mention their emotions.

THE TANGIBLE  
**FEATURES**  
BEHIND ALL THOSE INTANGIBLE  
**REWARDS.**

Even the quickest look makes it obvious that the Mazda Millenia is abundantly equipped. Yet that's only the beginning. Start with the pure performance. Add the pleasures generated by its many luxury amenities, such as the available premium sound system with 9 Bose® speakers and controls mounted on the steering wheel. The surprise from the sleek black Optitron™ instrument panel that springs to illuminated life when you turn the key. The lasting satisfaction from the sense that this car was built just for you. The way the Mazda Millenia takes care of your passengers. Many tangible features. Infinite intangible rewards. ■

**JUST TO BE SAFE,  
HERE ARE A FEW MORE GREAT  
ENGINEERING TOUCHES.**

Whatever the driving situation, you can count on our engineers having been there first. Heavy traffic? With its advanced suspension system and responsive power, the Millenia is quick to act when called upon. Is the weather turning streets into skating rinks? The Mazda Millenia's anti-lock

brakes and available electronic traction control are on hand to help keep you on your intended path. The body structure incorporates "crumple zones" to help absorb impact forces and direct them away from the cabin. And inside, you'll find another long list of safety measures. There are all sorts of areas in car design where it's okay, even encouraged, to take chances. But occupant safety? Never.

Mazda warrants that the Mazda vehicle will be free of defects with normal use and prescribed maintenance for 36 months or 50,000 miles, whichever comes first, or Mazda will repair any problem without charge. Ordinary maintenance items or adjustments, parts subject to normal wear and replacement and certain other items are excluded. This transferable "limited warranty" is included on all new 2002 Mazda vehicles sold and serviced in the United States. Complement the limited warranty on your new vehicle with the Mazda Extended Protection Plan, the only service agreement backed by Mazda. See your Mazda Dealer for complete details.

### Emergency Roadside Assistance & Mazda Service Transportation Solution

As part of our commitment to your total satisfaction, Millenia owners are automatically enrolled in our Emergency Roadside Assistance Service Program for the duration of the 36-month/50,000-mile limited warranty. Dead battery? Locked out? When the unexpected happens, this 24-hour service will provide just about any assistance necessary to get your car back on the road and minimize any inconvenience. In many cases, owners of 2002 Mazda vehicles being repaired under warranty will be eligible for the free Mazda Service Transportation Solution. For complete details, see your Mazda Dealer.

All Genuine Mazda Accessories, if installed by the Mazda Dealer prior to or at initial vehicle retail delivery, carry the same new-vehicle limited warranty as the Mazda Millenia.
